

How do I apply?

There are a limited number of Fellowship spots available for the 2012-2013 year. Fellowships will be given to students on a first-come, first-served basis and they go very fast!

In order to qualify you must:

1. Agree to sign a statement saying that you will actively support and live by the values of the Pres House Apartment community.
2. Agree to participate in ALL Pres House Fellowship program activities (4 per semester, one planned by Fellowship participants each semester). These activities will be announced in the summer of 2012.
3. Agree to participate in at least 2 building-wide events per semester.
4. Sign a standard, individual, 12-month lease in the Pres House Apartments within 15 days of acceptance and provide all standard residence forms, security deposits, etc. when requested by management to confirm your fellowship spot.

Anyone of any background is welcome to apply!

If you do not need the financial scholarship you are still welcome to join the Fellowship and participate in all the excellent programs, get connected with your neighbors, and make the most of your living experience at Pres House.

Pres House Apartment Fellowship

Community.

Looking for a way to build deeper, more intentional relationships with the people that live in your building? The Pres House Fellowship is designed to help you get connected with other residents who share your values and are committed to fellowship together.

Students selected for this program will agree to actively support the values that lie behind the Pres House Residence (see back flap).

You will also be expected to participate in **4 Fellowship program events and 2 building-wide events per semester** (additional optional events may also be offered). These events will be tied to the four Apartment Community Values. They will be non-sectarian and interfaith in nature. Some will have spiritual components. The activities will be designed to benefit you and build fellowship and friendship among program participants. One event per semester will be planned and run by the Fellowship participants.

Sample of programs offered in the past:

- An opening banquet with special guests from UW Madison
- A service project in Madison
- A seminar on personal finance
- A building food drive for the hungry
- An outing just for fun
- A documentary and discussion
- And more...

Scholarship.

We don't want the cost of the Pres House Apartments to prohibit you from living here or participating in the Pres House Fellowship program. For that reason, a limited number of scholarships are available. Scholarships are a 15% credit applied to your rent in the Pres House Apartments. Scholarship spots in the fellowship are only available for residents who sign an individual lease (not for residents who are part of a group lease for a full apartment).

The intent of the scholarship is to make it possible for students who couldn't otherwise afford to live at the Pres House Apartments to do so. If you do not need a scholarship please consider leaving the scholarships for other students who do need one and participating in the Fellowship without taking a scholarship.

Live in community.
Learn together.
Grow together.

Pres House Residence Fellowship

The Pres House Fellowship is designed to further Pres House's mission of "providing high quality student housing to promote the spiritual, emotional, and intellectual growth of residents and members of the campus community."

The word "fellowship" has two meanings here. First, the word describes a community of people invited to make friends with each other and have community fellowship together. Second, the word is used in the sense of an academic fellowship, or scholarship: funding that allows a student to do something you wouldn't otherwise be able to do.
