

PRES HOUSE COUNCIL 2018-2019

January 2018

The purpose of the Council is to provide spiritual leadership to the Pres House community. We develop and express that spiritual leadership in three ways*:

1. Relationship with God
2. Relationship with others
3. Service to the community

Many people in our community have very busy lives; many of the activities are great and we are not interested in adding one more task to a list. Instead, we seek to move about our daily lives in ways that deepen our capacity to follow Jesus' command to, ***“Love the Lord your God with all your heart, soul, and mind; and love your neighbor as yourself.”***

Pres House Council primarily invites you to go deep with God and neighbor. Through the regular sharing of our lives with one another—our passions, our questions, our joys, our wounds, our challenges—we inspire our community to bear witness to the radical grace of Christ not only at Pres House, but in all the spaces of their lives.

We invite you to prayerfully consider being a part of the Pres House Council. If you would like to learn more about this opportunity, don't hesitate to contact Pastor Erica Liu (erica@preshouse.org).

Pres House Council

Being a part of the Pres House Council is a significant and meaningful commitment which will grow you and the community. We ask Council members to commit to three, specific ways of leading during the 2018-2019 year:

1. **Relationship with God:** Engaging in weekly Sunday Worship and Dinner.
While “going to church” by itself is not an indication of one’s relationship with God, to be a spiritual leader in the Pres House community, we ask you to commit to weekly Sunday Worship as one of your spiritual practices.
2. **Relationship with others:** Engaging in weekly community with others.
We believe that to grow in relationship with others requires a regular rhythm of spending time together. It is through the sharing of life that fertile soil and conditions are created for organic things to sprout up—for people’s stories to be heard, passions enacted, response to the challenges around us met, for the grace and love of Christ to unfold. To be a spiritual leader at Pres House, we ask Council members to commit to weekly, intentional relationship with others.

How this looks can vary. Small groups and worship band already meet weekly which everyone is welcome to join; or you can start something new that matches your interests—an intramural sports team, knitting group, study group, weekly meal, weekly rock climbing, etc.—be creative! The main goal is that you are in regular relationship with people in the Pres House community (Sunday plus one more day during the week).

3. **Service to the community**

- a. **Monthly Council Gatherings:** These times together focus on leadership development, collaborative planning, and decisions that need to be made.
- b. **Supporting Pres House community needs such as:**
 - i. Fall and Spring Kick-off events
 - ii. Sunday hosting and leadership (2x/semester)
 - iii. Finals Lounge hosting (1-2 shifts)
- c. **Lead at least one “service” for the community during 2017-2018; these can be done in collaboration and partnership with other people and organizations. Possible examples are (certainly not limited to—be creative!):**
 - i. Volunteer coordinator for Sunday hosting or Worship A/V support
 - ii. Organizing a service event (i.e., food pantry, making kits for homeless youth, helping lead Break With A Purpose, etc.)
 - iii. Small Group Leadership
 - iv. Council Leadership Team or Board member
 - v. Prayer during Sunday Worship
 - vi. Organizing an Ally Training/Workshop at Pres House with the LGBT or Multi-cultural Student Center
 - vii. Coordinating an event like Post-Grad Priorities, Christmas Party, etc.
 - viii. Organizing a Pres House team to run the Madison Marathon to raise money for World Vision

Pres House Council Covenant

As a member of the Pres House 2018-2019 Council, I commit to:

1. Participating in the Pres House Council Retreat on May 18th-20th, 2018.
2. Making weekly Sunday Worship at Pres House a spiritual practice.*
3. Intentional, weekly relationships with others at Pres House.*
4. Fully engaging in monthly Council gatherings.
5. Helping with outreach efforts in the Fall and Spring.
6. Supporting hospitality needs on Sundays and during Finals.
7. Serving the wider community in at least one, particular way.

** We don't want you to think of coming to Sunday Worship and weekly gatherings as attendance at a class; rather, it is more like a treasured family gathering in which you are an important member. When you are not there, you will be missed. We understand that life happens—exams get scheduled, situations come up, trips out of town are taken—and that there are times people will not be able to be physically present on a given week. When those times arise, we ask that you let someone in our family know that you will not be there.*

As a person committed to growing in spiritual leadership with others at Pres House, I will:

1. Seek to grow in my understanding of what it means to follow Jesus. I will strive to seek after God in how I live my life and embrace being challenged and also challenge others.
2. Stay in relationship with the community, especially in challenging times. Rather than withdrawing or disengaging, I will be honest and proactive in my communication; I will stay at the table.
3. Be a team player working in collaborative partnership with others. I will both seek and give support.
4. Keep short accounts, as well as keep confidentiality and trust within the group. As the Council works towards consensus, I will be honest in my thoughts and communication, open to other people's input, and support a decision once it has been made.

In all these things, I will approach my sisters and brothers with humility and grace.
